SUMMARY

Detail-focused professional with a strong background in information technology and a passion for optimizing workflows and enhancing operational productivity. Eager to apply a robust skill set in data management, scheduling, and stakeholder relations to support organizational success. Proven ability to adapt quickly to new technologies and thrive in fast-paced environments. Dedicated to becoming an indispensable asset by combining technical precision with a proactive, service-oriented mindset.

EXPERIENCE

New San Jose Builders, Inc.

February 2026 – May 2026

IT Frontend Developer Intern

- Collaborated in the development of a comprehensive Human Resource Management System (HRMS) for New San Jose Builders utilizing .NET MAUI and Jenkins CI/CD pipelines under the technical guidance of the NSJBI Supervisor—contributing to system architecture, code implementation, and automated deployment workflows that streamlined employee data processing across departments.
- Created a technical user manuals and standard operating procedures, translating complex system functionalities into clear, user-friendly documentation that facilitated smooth end-user onboarding and reduced post-launch support inquiries.
- Supported full-cycle Quality Assurance initiatives for the NSJBI HRMS, ERP platform, AI-powered Chatbots, and Employee Self-Service (ESS) portal—executing functional and regression tests, documenting bugs, and providing actionable UI/UX recommendations under supervisor mentorship to enhance system performance and user experience.
- Contributed to the design and prototyping of a mobile attendance tracking application, developing wireframes and user flow mockups that enabled real-time employee check-ins with seamless backend integration.
- Provided on-site and remote technical support across multiple NSJBI offices under supervisor direction, troubleshooting hardware and software issues, resolving system access errors, and ensuring minimal disruption to daily business operations.

Freelance

April 2025 – May 2025

UI/UX Designer

- Collaborated with the Lead UI Designer in developing high-fidelity mobile mockups for Project X's Attendance System, Marketing System, and Sign-In/Sign-Up modules—translating user requirements into intuitive, visually cohesive interface designs using Figma.
- Assisted in color palette selection and visual identity refinement, ensuring brand consistency across all mobile interfaces while adhering to accessibility standards and modern UI/UX best practices under design leadership.

- Executed comprehensive usability testing on Figma prototypes, simulating user flows, identifying interaction bottlenecks, and iterating on designs based on feedback to optimize navigation and overall user experience.

EDUCATION

Mindoro State University – Calapan City Campus
S.Y. 2022-2026

Bachelor of Science in Information Technology

- **Awards:** Graduated *Cum Laude* (Latin Honors)
- **Relevant Coursework:** Software Development, Database Management Systems, Object-Oriented Programming, Multimedia and Systems Analysis & UI Design.
- **Capstone / Academic Projects:** Developed a full-stack software solution for ALLSERVE, a community-driven platform designed to streamline service delivery and resource coordination—integrating real-time data tracking and automated database systems to enhance operational efficiency for local communities.

CERTIFICATES

- Certificate of Completion – CODECHUM Python Programming 2 Examination, November 3, 2025
- Certificate of Completion – Microsoft IT Specialist Data Analytics, December 17, 2025
- Certificate of Completion - Visual Storytelling: Bringing Concepts to Life through Design
Mindoro State University- Calapan Campus, November 28, 2025
- Certificate of Completion – Getting Started in Cybersecurity – Fortinet Training Institute, September 14, 2025

SKILLS & INTERESTS

- Basic Web Development and IT Troubleshooting (Programming: Python, Php, HTML/CSS, Reactjs+Vite, TailwindCSS)
- Basic Photo and Video Editing (CapCut)
- Graphic Design and Digital Layout using Canva and Figma
- Microsoft Office Suite (Word, Excel, PowerPoint)
- **Language:** Filipino & English
- **Interests:** Photography
